COMMUNITIES OVER CAGES: CLOSE THE JAIL ATL CAMPAIGN
FROM CUFFS TO CARE MEDIA TOOLKIT

BACKSTORY
The City of Atlanta has allocated $18 million dollars in the proposed 2020-21 city budget to the Atlanta City Detention Center, a building that sits mostly empty and is slated for closure & repurposing into a Center for Wellness & Freedom thanks to the work of the Communities Over Cages: Close the Jail ATL Campaign, our alliance partners, and the Reimagining ACDC Initiative.

In a time of public health crisis, loss of millions to the City’s revenue, and nationwide mobilization to defund police and jails, it is unconscionable for the City of Atlanta to spend $18 million to lock people in cages for jaywalking and disorderly conduct. We can, in no way, allow for this jail - and potential hotspot - to exist any longer in our community, wasting desperately needed resources, disproportionately criminalizing Black people and poor people of color, and making us all less safe.

WHAT WE WANT

1. We demand a FY2021 budget for the Atlanta Department of Corrections of $0. We support a city budget that reflects the $18 million dollars going to protect the health and safety of the people of Atlanta instead of wasted on a soon-to-be-closed jail which has destroyed lives and rendered us all less safe.
2. We demand the city walk its talk and close the jail for good.
3. We demand that the employees and workers of ACDC get a leg up, not a lay off in desperate economic times. We support a budget that reflects current ACDC staff being moved to other departments where they can learn skills for future jobs and truly be of service to our city.
TIMELINE
We have less than a month until the FY2021 budget will be voted on by the City Council and we intend to do everything in our power to zero out the Corrections budget. We need you to join with us to mobilize your folks in advance of the:

May 27: Finance & Executive Committee Meeting
June 1: Full City Council Meeting
June 10: Finance & Executive Committee Meeting (where budget amendments are offered)
June 15: Final Vote on Budget in City Council
June 23: Final Mayoral Approval of the FY21 City Budget

CALLS-TO-ACTION
We need YOU and your supporters to:

1. **Sign this petition** to urge the Mayor and City Council to redirect $18 million from cuffs to care.
2. **Call and email your Councilmember** to demand they redirect $18 million from cuffs to care.

   Phone/ Email Script: Hi, my name is _____ and I live in District ____. I’m calling/ emailing to ask you to move $18 million dollars in the city’s proposed budget out of the Atlanta City Detention Center. Atlanta should not be wasting $18 million dollars to operate a jail that’s mostly empty and already slated for closure- especially in the midst of national turmoil over police violence, the COVID health crisis and a $40 million dollar city budget deficit. Employees of ACDC should be moved to other departments where they can learn skills for future jobs and truly be of service to our city. Move $18 million dollars from cuffs to care and invest in the safety and wellness of Black Atlantans!
3. **Tweet at the Mayor and Councilmembers and share images on social media**
